Question of including the three non-Civil Service Assistant Superintendents in the Civil Service cadre.

The Superintendents, Revenue Survey, has forwarded the representations of the three N-C-S Asst. Supdts. for inclusion in the Civil Service cadre with his strong support. The history of service of these is noted below in brief :—

(1) Messrs. P.N. Krishnaswami & B. Venkataswa & (2).

Survey Probationer : 6.1.1917 : Rs 100
Sub Asst. Supdt : 7-11-1918 : Rs 150-25/2.

2) The proposal to include these non-C.S. officers in the C.S. cadre does not seem to have been viewed favourably on previous occasions. The Survey Superintendent in recommending the ~~inclusion~~ prayer of Messrs P.V. Krishnaswami & B. Venkataswami seems to make some incorrect statements. He says that one "Strong point in their favour is that they were confirmed as Asst Supdts from 1.7.1924 when all Asst Supdts were included in the C.S. cadre and there were no non-C.S. Asst. Supdts. The Non-C.S Asst. Supdts. came into existence from 22-9-24". This is not quite correct. The Survey Supdt. apparently refers to G.O No R 2596-7/L.S. 19-24-2 d. 9th Oct 24, in which these officers were ~~confirmed~~ appointed non-C.S. Asst Supdts from 1.7.1924. It is seen that though an earlier ~~retrospective~~ date (giving retrospective effect) was mentioned, the G.O. itself was issued in October 24 and in the preamble of this G.O, the G.O. d. 22.9.24 creating the non-C.S cadre was specifically mentioned. It may also be stated that there was no question of "Confirmation" at all as they were only Sub Asst. Supdts before & not acting as Asst Supdts.

Further, on the Comptroller pointing out that the posts of non-C.S. Asst. Supdts are to be held to have come into existence only from 22-9-1924, the date of appointment of these officers to the posts was duly changed from 1.7.1924 to 22-9-24. ~~the Govt. Officers All the Stg~~ This "Strong point" urged by the Survey Supdt loses all ~~the~~ force in the circumstances.

6) Another ~~circumstance~~ point referred to is that at the time of appointment as Probationers, these Offrs were given to understand that they would be "eventually confirmed as Assistant Commissioners" The order of appointment (G.O.d 2.1.191 only says that they would start on a pay of Rs 100 to begin with, & be on probation for one year and that the question of their permanent pay and prospects would be settled after the probationary period. It is not possible to verify on what basis this promise ~~was~~ of eventual confirmation as Asst. Commrs is referred, but the point must in any case have been duly considered when

they were confirmed only as Sub Asst. Superintendents on Rs 150-$\frac{25}{2}$-200 (& not Asst. Supdts) from 7.11.1918. It may not perhaps be necessary at this distance of time to go into this further.

(The case of Mr. C. Rajagopal is not pressed as strongly, as that of the other two more senior officers.)

3. If the request for inclusion of these officers in the Civil Service Cadre is viewed favourably, the Strength of the Cadre of the C.S. is to be raised correspondingly. One point for consideration is that these officers have not undergone direct training in the work of the several other Depts. to which Assistant Comrs are usually posted (Magisterial, Treasury work, Taluk office, etc) though there is some affinity between Revenue & Survey work. Providing them training in any of these Branches will also be for orders.

The Survey Superintendent brings to notice that all these officers are still young and they have

10) The statement of the Director of Land Records That the two officers Messrs Krishnaswamy & Venkataswamiah were given to understand that they ~~Confirmation~~ will eventually be confirmed as Asst. 11) I agree with the General Sec? that there seems to have been no promise that these officers would be absorbed amongst Asst. Comrs in the general line. In fact they can't so absorbed because they are not trained for the duties of an Asst Comr in the general line.

12) On the other hand it seems to me that some improvement is called for in their prospects. These officers started on a pay of Rs. 100 about 17 years ago and they have reached a pay of Rs. 450 about one & two years ago. All of them have still a service of about 12 years more & can't be expected to continue on their present pay. Many changes in the Secr to create one a post corresponding to an Asst Comr in the Secy Dept — Item being effected by converting the one of the Secretariat Asst Supdts into a Dept Supdts post. But the need for this Dept not arise immediately. This may be taken up a year or two hence —

Chief Secretary to the Government of
His Highness the Maharaja of Mysore,

SIR,

I have the honor to enclose herewith applications from Messrs P.T.Krishnaswami and S. Venkataswamiah, Assistant Superintendents of this Department praying that they may be included in the Assistant Commissioners cadre and allotted places therein according to the date of their rising to the maximum pay (Rs.450) for favourable consideration.

2. As the Revenue and Survey are closely allied Departments and exchange of officers between them will be conducive to the efficiency of both I recommend that the prayer of these 2 officers may be granted since both of them are fully qualified for being included in the Civil Service by reason of their having completed all the local tests and possessing the requisite Revenue experience - - and getting the maximum pay of Assistant Commissioners. My predecessors have spoken highly about their character and work and I endorse what all has been said about them.

3. One strong point in their favour is that they were confirmed as Assistant Superintendents of Survey with effect from 1st July 1924 when all Assistant Superintendents were included in the Civil Service and there were no Non-Civil Service Assistant Superintendents. The Non-Civil Service Assistant Superintendents came into existence with effect from 22nd September 1924. Their prayer that they may be included in the Civil Service was negatived in the Revenue Secretary's letter No.R.4701/L.S.19-24-7 dated 4th February 1925. Since then they have renewed their prayer from time to time and have been in-

informed that the matter cannot be reopened. As both these officers are yet young and have reached the maximum pay of their grade they are bound to become discontented if they have to continue on the same pay for the remaining period of their service, particularly as at the time of their selection as probationers they were given to understand that they would "be eventually confirmed as Assistant Commissioners" and were confirmed as Assistant Superintendents when every Assistant Superintendent was an Assistant Commissioner. In these circumstances I would suggest that their prayer may be favourably considered and their names included in the Civil Service cadre.

To

G.B. Heblikar, Esq., B.A., LL.B.,
Superintendent, Revenue Survey
and Settlements in Mysore, Bangalore.

Sir,

I have the honor to state for your kind information that I was entertained as a probationer in the Revenue Survey Department in 1917 in consideration of my having got a high place in the Civil Service Examination of 1915. At the time of selection it was stated to me that the Survey Probationers were to be "eventually confirmed in the - - Assistant Commissioner's Grade" Government Order No.R.6643-4/ L.S.41-14-3 dated 26th December 1916 appointing me a probationer stated that the question of permanent pay and prospects would be settled after the probationery period of one year. Relying on this indication of hope I did not sit for the Civil Service Examination of 1917 though I was within the permissible age limits, and I might have hoped to secure a place as 6 persons were selected that year. I qualified myself for an Assistant Commissioner's place by passing all the required tests by 1918.

But at the time of confirmation I was given a lower - place as Sub-Assistant Superintendent on 150-25/2-200 in 1918. In 1934 I was promoted an Assistant Superintendent and placed in a new cadre of Non-Civil Service Assistants in Government Order No.3596-7/L.S.19-24-2 dated 9/30th October 1924. I

reached the maximum of Rs.450/- on 22nd September 1932.

During my 17 years of service in the Department I have worked in all the branches, and several items of work of a special nature were also entrusted to me such as the reclassification of the area commanded by Vani Vilas Sagara, and drafting of resettlement reports and assessing of gardens of some Taluks. I was specially selected for the post of Office Assistant in 1923, and again last year. The periodical reports about me by the several officers under whom I served will bear ample testimony to the hard and enthusiastic way in which I have satisfactorily worked in the Department. I am the seniormost of the officers under you in the Department, and I have also undergone training in the Revenue Department.

I request you to be kind enough to give me your valuable support and recommend me to Government for being included in the Civil Service cadre, giving me a proper place based on my pay and the date of confirmation as an Assistant Superintendent, just as Government were pleased to order in the case of Non-Civil Service Assistant Commissioners of the Revenue Department.

Sir,

I have the honour to report that I reached the maximum in the grade 250-25-450 on 22nd September 1932 and passed all the tests prescribed for the Assistant Commissioners several years ago. Although the Assistant Superintendents of Survey are duly qualified, they are still in the Non- Civil Service Cadre and it need hardly be said that the survey work is quite allied to the Revenue work especially after the intro--duction of Records of Rights Operation. All the Assistant Commissioners of the Non- Civil Service Cadre in the Revenue Department have already been amalgamated with Civil Service Cadre.

The Assistant Commissioners of the Revenue Department have the option of working in several departments, while the Assistant Superintendents of Survey have to stagnate in one Department much to the detriment of their prospects and general efficiency.

On Sympathetic consderation of the arduous and res--ponsible duties of Survey Officers, their close contact with the public, similarity of work between the Revenue and Survey Departments, prevention of exclusion and full qualifi--cation

qualification for Assistant Commissioner's place after passing all the prescribed tests, I request that you may kindly recommend to the benign Government to be graciously pleased to draft me on to the Civil Service Cadre, kindly fixing my place along with other Assistant Commissioners in accordence with my present pay.

For which act of kindness, I shall ever feel grateful.

SIR,

In continuation of my office letter No.71 dated 12th April 1934, I have the honor to forward herewith an application from Mr.C.Rajagopal, B.A., Assistant Superintendent of Survey, Mysore District, praying that he may be included in the Civil Service Assistant Commissioners.

2. Mr.C.Rajagopal has completed all the tests prescribed for the Assistant Commissioners and prays that his name may be included in the Civil Service cadre. His case differs slightly from that of Messrs P.N.Krishnaswami and B.Venkataswamiah. They were confirmed as Assistant Superintendents when there were no Non-Civil Service Assistant Superintendents. Mr.Rajagopal was confirmed with effect from 5th September 1930 when there were Non-Civil Service Assistant Superintendents. I would however suggest that he may also be made an Assistant Commissioner if the prayer of Messrs P.N.Krishnaswami and B.Venkataswamiah is granted.

3. As to Mr.C. Rajagopal's work I would invite kind reference to the reports made from time to time by my predecessors - with whom I concur.

Sir,

I have the honour to state, that I fully qualified myself several years ago by passing all the prescribed tests for an Assistant Commissioner in the Civil Service Cadre having secured a first class in Criminal Higher Examination, and stood 2nd to the province in the order of merit. I have reached the maximum in the grade of 250-25-450 on 7th Oct. 1933. There is no further prospect of rise in the department.

It is unnecessary for me to state how important the work of the Revenue Survey department is. It forms the basis for the administration of the Revenue Law. It is closely allied with the work of the Assistant Commissioner in the General line. As such, an Assistant Superintendent of Survey with a little experience of other Revenue work will prove a very efficient Revenue Officer. This chance is denied at present to 3 officers, by excluding them from the Civil Service Cadre. Formerly there was no such distinction maintained.
Amildars and Assistant Commissioners of the Revenue department are now freely employed as Survey Officers. Hence exclusion and isolation of 3 officers in theRevenue Survey department is of no significance. These officers merely stagnate and their efficiency is impaired.

Considering the above facts, I beg that you will kindly recommend me to our benign Government to include me in the Civil Service Cadre fixing my place in the list of Assistant Commissioners in accordance with my pay.

For this act of kindness, I shall feel highly grateful.

Government recognise that the prospects of these officers for further promotion in the Survey Department itself are somewhat limited at present and some action may become necessary to relieve any undue stagnation. One way of doing this would be to create an intermediate appointment - say of the grade of a Senior Assistant Commissioner - in lieu of one of the posts of Assistant Superintendent. The matter is not however

The *General Secretary to the Government of His Highness the Maharaja of Mysore.*

To

The Director of Land Records, Survey & Settlement,
Bangalore.

Sir,

With reference to correspondence ending with your letter No.R.R.96 dated 9th June 1934 suggesting certain increases in the scales of pay in the Survey Department, I am directed to state that Government consider that there is no possibility of increasing the scales of pay at present.

I have the honour to be,
Sir,
Your most obedient servant,

Seshaiyangar

for General Secretary to Government.
